UPDATE TO THE RECTEP TERMS OF REFERENCE – DIP MANAGER

BY BETH BROWN

1 PURPOSE

Part of the delivery of the Market Wide Half Hourly Settlement (MHHS) arrangements is the creation of the Data Integration Platform (DIP) Manager. As part of the assessment of impacts on the REC from MHHS, it was identified that the DIP Manager should be able to attend REC Technical Expert Panel (RECTEP) meetings.

TEP Terms of Reference (ToR) are a Category 3 REC document, amended with the approval of the Change Panel. This paper presents updated RECTEP ToR, for approval.

2 AMENDMENT TO THE TERMS OF REFERENCE

A reference to the DIP Manager has been added to Section 5.6 of the RECTEP ToR, formally enabling the DIP Manager to be invited to attend meetings and participate in discussions, but not vote. This is in line with other industry code bodies such as SECAS, BSCCo and the DCUSA Secretary.

The governance arrangements and other related provisions for the DIP Manager will be implemented on 01 October 2024, as per Ofgem-approved BSC Modification P474. Therefore, we propose that the RECTEP ToR are presented as a Category 3 Change Proposal, for implementation on 11 October 2024.

The TEP has been notified; we do not consider that a consultation on the Category 3 Change Proposal is necessary. A red-lined copy of the updated ToR is available in Attachment A.

3 COMMITTEE ACTIONS

Committee Members are invited to take the following actions:

- **AGREE** updates to the TEP ToR, to allow the DIP Manager to be invited to TEP meetings;
- **AGREE** a Category 3 CP is raised, with no consultation required; and
- **AGREE** an implementation date of 11 October 2024.
