ACTION REF	ACTION	OWNER(S)	TARGET DATE	STATUS
RECPAB_24_1029_02	RECCo to seek legal guidance to clarify and reiterate the provisions within the Code for Parties and Service Providers to cooperate with the Code Manager and PAB in any assurance activities.	Jon Dixon, RECCo	17 December 2024, revised to target completion date of 1 April 2026	A legal review will be requested to be completed and the forward plan shared by April. This applies to both this action and RECPAB_24_1217_05 below.
RECPAB_24_1217_05	PAB Chair to seek legal view on how REC PAB can consider cross-code performance to enable coordinated action amongst Code Bodies against an underperforming Party.	Jon Dixon, RECCo	See RECPAB_24_1029_02 above	This has been covered as part of the Better Cross Code Collaboration Deep Dive. The PAB have been clear previously on their support for sharing information with other Code Bodies. This will require a Code Change.

RECPAB_25_0429_01	Implications of the Data (Use and Access) Bill on the REC arrangements including Energy Data governed under the REC: • The PAB Chair will prepare a briefing for PAB once the Bill has been passed through Parliament and Ofgem's direction is clear. • An action was given by the Department for Energy Security & Net Zero (DESNZ) from the Smart and Secure Electricity System (SSES) programme as RECCo have been asked to be governance vehicle for tariff interoperability (which was included in the RECCo Forward Work Plan). The PAB Chair will provide an update on the project and the extent to which the legislation will underpin it.	Jon Dixon, RECCo	27 May 2025, deferred to 25 November 2025	The PAB Chair has advised that RECCo will be required to draft a complaints process that allows data subjects to raise complaints and which details how those will be dealt with. The quality of data is also a focus, and the PAB Chair previously noted that the PAB Data Cleanse will be impacted by this, with the timing, scale, and priority feeding into these action plans. Regarding Tariff Interoperability, an introduction for the PAB is contained within RECPAB_26_0127_03 with a further paper scheduled for February 2026.
RECPAB_25_0429_03	RECCo and DCC to provide an update on the current position with regards to incentivisation for DCC, following discussions with Ofgem.	Mollie DeCamp, (RECCo) and Bilal Ali (DCC)	27 May 2025, deferred to 27 January 2026	The PAB Secretary received no update in advance of the PAB Meeting and sought the PAB's direction on next steps. An update on the CRS Plan (covering progress and closure) is scheduled for February 2026.

RECPAB_25_0826_04	The Code Manager to update the PAB on the impact of the CSS Reporting Issue discussed under agenda item RECPAB_25_0826_04 on any PAB decisions and processes.	Vaishnavi Campbell-Sharma (Performance Assurance Manager)	25 November 2025, deferred to 16 December 2025. A further update will be provided in February 2026 as part of the Service Provider Assurance paper.	Actions listed in RECPAB_25_1028_03 in flight with RECCo and DCC. 1. For Pot 1 (Duplicate registrations in CSS) has been fixed as the incorrect registrations have been end-dated w.e.f. 18/07/2023. 2. Pot 2 (Disconnected but not Deregistered in CSS) MPANs are with Suppliers to cleanse. OAMs are following up to confirm progress and any blockers. 3. Pot 3 (root cause for mismatch unknown) investigation is pending agreement of commercials between DCC and Landmark. Data expected to be shared by end of January 2026.
RECPAB_25_1028_06	The PAB Chair to review the principles and processes around approving Sandbox applications and provide an update at the November PAB.	Jon Dixon, RECCo	25 November 2025; deferred to TBC.	The PAB Chair has advised that Ofgem are currently considering how Sandbox and Derogation applications should be dealt with as a Licensee. It is proposed that this action is deferred until such time as Ofgem provide further guidance.
