TEP HEADLINE REPORT

Date: 28/08/2024
via Microsoft Teams

This Headline Report provides a record of the decisions made by the Technical Expert Panel (TEP), and information on other key agenda items from the August 2024 meeting.

1 APPROVAL OF MINUTES

Members were asked if the minutes taken in the July TEP were an accurate representation of the discussion held at the July TEP. No comments and questions were raised. The minutes from the July meeting were therefore approved as final.

2 ACTIONS

There was one action to review at the August meeting:

- **RECTEP_24_0228_01 - UK Link data load update from Xoserve**

For further information on the actions, please refer to the TEP Actions Log.

3 FUTURE CHANGES FOR TEP REVIEW

The Code Manager (CM) **NOTED** no updates were to be given on changes for TEP review at the August TEP.

For any further information on discussions held at TEP, please refer to the papers and minutes for the relevant month, when published.

4 DECISIONS

There were **two** changes for decision at the August TEP.

The TEP voted and **APROVED** the following Change Proposals for implementation following the CMs recommendation:

- R0060[1]– ERDS SERVICE DEFINITION TIMEZONE CORRECTION
- R0120[2] – SEARCH GES API USING METER SERIAL NUMBER

For any further information on discussions held at TEP, please refer to the papers and minutes for the relevant month, when published.

5 UPDATE ON R0108[3] AND R0098[4]

The CM gave an update on the implementation of R0108 - Enabling Electricity Enquiry Service searches using a Unique Property Reference Number, and R0098 - Optional fuzzy searching in EES. It was confirmed that the two changes were not included in the August release because of the EES Provider noting a significant performance risk to the EES if deployed. The implementation date for both changes has been postponed pending review between RTS and the EES Provider.

For any further information on discussions held at TEP, please refer to the papers and minutes for the relevant month, when published.

There were no further agenda items for discussion at the August TEP meeting.

6 AOB ITEMS

There were no items of AOB raised at the August TEP. The Chair then brought the meeting to a close.
